### **HBTM Election Results**

### **Happy Easter**

We would like to wish everyone a Happy Easter! Have fun and be safe!

### **Hurricane Repairs**

All hurricane repairs should be completed at this time. If there is a problem in completing these repairs (fences, roofs, downed trees, etc.) please contact Texas Community Management. Deed restrictions will be enforced.

### **Attention Parents**

Do you have a graduating senior? If so, contact the editor at [hsluv4u@sbcglobal.net](mailto:hsluv4u@sbcglobal.net). I would like to recognize them with a short article and a picture. The deadline for submitting is Monday, April 20, 2009.

### **Friendly Reminder**

With "Garage Sale" season upon us please be courteous and mindful of where you place your advertising signs. It is against deed restrictions to place any sign in the flower beds at the entrances of the subdivision or at corners of streets or in residents' yards. This is unsightly and left to the homeowner to clean up. It is illegal to put the signs on stop signs and light poles. All signs must be removed as soon as the sale is over. Thank you for helping keep our neighborhood clean.

**Q:** What is the recommended lawn fertilizer treatment for this season? **A:** If you have not already fertilized your yard there is still time. Most lawn specialist suggests an application of 15-3-10 weed and feed. This needs to be applied before hot weather. You may also want to use an insecticide to ward off lawn pests. **Q:** Why do the street lamps on Fallbrook only partially cover HBTM? **A:** These street lamps were provided by Reid Road Mud #2. At this time Reid Road Mud #1 does not have plans to install street lamps.
